

13th March 2018

Media Release

It is with great pleasure we invite you to part take in the North Geelong Secondary College's annual fundraiser, Multicultural Festival on Friday October 26th, 2018. The festival is a celebration of cultural diversity running from 11.00am to 3.00pm. There will be live entertainment, amusement rides, market stalls and much more.

With over 950 students currently enrolled at the College and approximately 120 staff members, we endeavour to make the festival enjoyable for all. The festival is also open to the wider community and will have several local primary schools in attendance.

All proceeds raised ensure the needs of our students are met with programs such as Breakfast Club and numerous scholarships in place. We appreciate the support and generosity from the local and wider community.

We look forward to seeing you all at the festival.
